Memories of Writing By: Susan McQueen For many years, I have wanted to write a book. I never thought that I would be willing to do it. My opinion was that I was too busy and many times I didn't think that I could come up with something good. I didn't think I had enough subject matter for something good. Finally, the time has arrived for me to write my book. I am excited. The first book that I will be writing is a short book called: Saving Grace By Susan McQueen. I chose to write about Grace. Grace was a twelve year old in a small town in Michigan. Her life took a horrible turn when a tragic accident left her to suffer from several convulsions. There was no medicine for her condition.

Her loving mother tried everything to
